

## Pre-appointment Instructions

- Please could you let me know if you or anybody else in your household has been ill in the last 7-14 days.
- When visiting you in your home, all equipment, gowns and towels will be disinfected and sanitised prior to visit and in accordance with regulations.
- Please could I ask that all surfaces and areas prior to my arrival are cleaned and disinfected. I will only enter once all the necessary hygiene, health and safety aspect of my visit have been properly taken care of.
- If you are happier using a face shield, please use it. One can be supplied if needed.
- I have made my Risk Assessment available for you on my [website](#) but I can send it to you if requested.
- I must request that during my visit there are not any other family members, children or animals in the same room as us whilst carrying out the hair service. If this is not possible, they must adhere to the social distancing rule of 2 metres.
- A full virtual consultation can be done prior to the appointment if it is needed.
- A skin allergy test will need to be carried out no less than 48 hours prior to the appointment for all new clients and those who have not had a colour in 12 weeks.
- If you have used a box colour, please make me aware of this before any booking as your appointment will need to be scheduled to help with colour correction.
